EXCELLENT YOUTHWORKER REQUIRED

£23,649 PA inc. LW (JNC Level 2 or equivalent required)

Since 1973, the Winch has worked with children and young people in northwest London, through our Play, Sport and Youth streams, and a variety of community, training and volunteering initiatives. We have a proud history of pioneering radical, relational work with young people.

We want to appoint an impressive individual with energy and vision who will lead and develop a youthwork programme to inspire, challenge and affirm young people in building relationships, enriching community and fulfilling their potential. You will work face-to-face, alongside a committed staff team and ensure quality, stability and progress at a time of development and change.

Your responsibilities will include:

- building relationships with young people
- developing a relational, young person-centred programme
- leading the youthwork team
- managing budgets, finance and fundraising
- working in partnership with local agencies and funders
- reporting and evaluating services

Above all, you will be passionate about working with and for young people in a holistic way, dedicated to improving our quality of work. This post will provide an exciting opportunity in which you will be encouraged to have new ideas and put them into action. A dedicated Board of Trustees, staff team and volunteers will support you in setting the strategic direction of the work and carrying it out.

For an informal chat call Paul Perkins, or for an application pack call the office on 020 7586 8731 or e-mail info@winchesterproject.org.uk.

The closing date for applications is Monday 2nd November 2009. Interviews will be held on Saturday 7th November.

The Winch

21 Winchester Road, London, NW3 3NR
